A collective bargaining agreement with the Salem-Keizer Education Association was approved by the School Board at a special meeting Tuesday.
The board also approved a memorandum of understanding modifying language in the current agreement with the Association of Salem-Keizer Education Professionals and held a work session on a 2017-18 budget supplement.
The agreement with the SKEA involves:
• Increases in employer-paid portions of the monthly insurance premiums in the amounts of \$25 for 2017-18 and 2018-19 and \$40 for 2019-20 and 2020-21.
• Salary schedule increases of 2 percent for 2017-18 and 2018-19, 2.25 percent for 2019-20, and 2.5 percent for 2020-2021.
• Various additions and other

changes throughout the agreement.
Under the agreement with the support professionals, the maximum district contribution toward the insurance premium for 2017-18 will be \$1,245 per month, \$25 more than the 2016-17 contribution.
Both agreements passed by 6-1 votes. Voting against them was Kathy Goss, who praised the performance of district employees but observed that “the state of Oregon is not a wealthy state.”
The budget supplement involves an increase in the state public education budget from \$8.1 billion to \$8.2 billion. The Salem-Keizer district's share is \$8,067,196. Of that figure, school administrators have proposed that \$4.5 million go toward a transfer to the 2018 bond capital fund. The breakdown for proposed figures for the other categories is:
• \$888,392 for eight full-time classroom teachers.

• \$429,370 for five full-time teaching positions in English language development.
• \$400,000 for physical education equipment and middle school athletics.
• \$353,493 for three full-time drug and alcohol counselors.
• \$353,493 for three full-time social workers, mental health staffers, or additional counselors.
• \$326,460 for technical adjustments.
• \$200,000 for middle school software licenses.
• \$125,043 for one full-time secondary STEM (science, technology, engineering, and math) specialist.
• \$121,405 for one full-time elementary STEM specialist.
• \$100,000 for attendance strategy support.
• \$100,000 for additional resources for students needing accessible educational materials.
• \$100,000 for elementary classroom science kits.
• \$69,540 for one full-time position in translation support and oral interpretation in Spanish.

Odd Moe's Pizza

Michael Sublett and Samuel Wibowo opened the first Primetime Pizza in 1999 in McMinnville.

"We have been blessed with people and opportunities and have opened a total of five locations with a sixth coming soon," said Michael Sublett. "From day one we have always stayed with the same philosophy—find the people that like our products and keep them happy and full. From the very beginning we have strived to give back to the communities that have supported us."

Mandy and Eric Burdge are the new owners of Odd Moe's in Keizer. With a combined 17 years in the food industry, they have found the first three months in Keizer to be positive and they look forward to growth and meeting the community.

"Odd Moe's delivers hometown Northwest style pizza, and we use only fresh ingredients and make our own dough daily," said Eric. "And, did you know you can have beer or wine delivered with your order?"

Odd Moe's is the only pizza place in Oregon to do so. Then, there's the quality of the cheese. Odd Moe's uses bacio cheese made from buffalo milk—it's rich, creamy and melts nicely.

Visit this young family's business in Keizer. Mandy and Eric have 5 children and another due in November. They have become involved with the Chamber of Commerce and look forward to giving back to the community.

Store hours:
Sunday through Thursday 11 a.m.-10 p.m.
