

# Driver who hit trailer located, ticketed

Keizer Police have ticketed a man believed to have destroyed a speed trailer the department was operating on Clear Lake Road N.E. Dec. 18.

KPD Community Outreach Specialist Dorothy Diehl was off-duty when she spotted a gray vehicle with front-end damage in the 7900 block of O'Neil Road Northeast.

The car, a Honda, was missing a corner of its front bumper, which appeared to Diehl to match damaged parts from the scene where the speed trailer was hit.

Investigators were able to use the evidence that was left at the scene to identify what they believed was the color, estimated year, make and model of the suspect vehicle. They were able to narrow it down to a 2013-2015 Honda Accord that was "Modern Steel Metallic" gray in color.

On Tuesday, Dec. 26, Lt. Inman made contact with the registered owner of the ve-

hicle that remained parked in the driveway on O'Neil Road NE. The owner was identified as Gregory James Stadler, 71.

Inman questioned Stadler who admitted he had been driving his vehicle during the early morning hours, about 1 a.m., Dec. 18, when he struck the speed trailer. Lt. Inman cited and released Stadler at this residence.

He was cited for failure to perform the duties of a driver when property is damaged, careless driving and driving uninsured.

The speed trailer was determined to be a total loss by KPD's insurance provider. It suffered frame, axle, solar panel and wheel damage in the collision. The electronic display was still being inspected to see if it could be repaired.

The trailer was purchased by the department in May 2016 for \$8,500 and the service is one of the most frequent requests by residents of the city.

**Windsor Rock Products**

824 Windsor Island Rd N • Keizer • 503-393-8920

No job is too big or too small for Windsor Rock Products, the locally-owned sand and gravel company with a reputation for service and quality. The company, started in 1995 by long-time area resident Bill McCall, bought out a long-standing gravel operation on Windsor Island Road.

The company produces top soil and rock products for use in concrete, asphalt paving and crushed rock for streets, driveways and other construction purposes. Windsor Rock offers a superior aggregate product widely appreciated by contractors and do-it-yourselfers alike. Windsor's formula for success is based upon combining competitive prices and good service with a policy of being a good neighbor and a contributing part of the community.

The company is open Monday through Friday at 7:00 am. Please call about Saturday availability. For your rock and soil needs, call Windsor Rock at 503-393-8920.
