Adventures with Autism
3700 River Rd N • Suite 1 • Keizer • 503-967-0247

ADVENTURES with AUTISM

Research shows that 1 out of every 68 children are somewhere on the autism spectrum. Every family's experience with autism is unique. Kevin Parnham and Samantha Parnham founded Adventures with Autism to help parents learn the skills needed with a child on the autism spectrum.

Adventures with Autism provides services to children on the spectrum including social skills and clinic ABA. The Parnhams also offer parent training and special events.

Training works with parents experiencing behavioral issues at home and uses the principles of applied behavior analysis to assist the entire family.

"We provide quality services," said Samantha Parnham, "and we're locally owned."

Adventures with Autism is located at 3700 River Road N., Suite 1 in Keizer. Their phone number is 503-967-0247. Visit them on the internet at adventureswithautism.net.
