**SPOTLIGHT**

**Red Wing Shoes**  
6075 Ulali Drive NE • Suite 102 • Keizer • 971-361-9464

Farmers, contractors, construction workers and others know that the right footwear can make all the difference when it comes to comfort and safety on the job site. Red Wing Shoes has known that since 1905.

For over 100 years, Red Wing Shoes has made the highest quality work shoes and boots. The product line includes features such as their signature 'traction tread,' white wedge soles, and technologies such as flexible internal metatarsal guards. Their shoes and boots also include slip resistant soles and unsurpassed comfort.

"Red Wing Shoes works to match the proper shoe with each customer and ensure a proper fit," said Scot Burckhardt, owner and operator of the Keizer Station store where, Scot continued, "fit comes first."

At the store, customers will find a variety of shapes and sizes. The stores 'fit experts' make sure their customer's new footwear is comfortable all day long. Scot and Red Wing Shoes stand behind their

products, even providing free laces, minor stitching and eyelet repairs for the life of the shoe or boot. They also provide complimentary leather conditioning to ensure customers' shoes provide continuing value.

Red Wing Shoes sells high quality footwear with strong customer service. We've been providing "some of the best footwear for over 110 years," said Scot. "Using fit, experience, technology and service, Red Wing Shoes work just as hard as you do."

At Red Wing Shoes, work is their work.

The store is located at 6075 Ulali Dr. NE in Keizer Station between Round Table Pizza and REI.
