Van stolen from Willamette Lutheran recovered

A 1989 Econoline Van was stolen from Willamette Lutheran Retirement Community, 7693 Wheatland Road North, along with other items in a burglary that occurred Tuesday, May 22.

The van was recovered three days later parked on McNary Heights Drive North.

About 10 a.m., a ground-skeeper reported the van stolen along with an iPad, laptop computer, headphones, and other miscellaneous items. He reported that someone broke into his office and taken the items.

No suspects have been identified.

POLICE VEHICLE DAMAGED IN PURSUIT

A Keizer Police Department patrol vehicle was damaged when a fleeing suspect leapt out of his car and left it in reverse.

About 10 p.m. on Monday, May 14, Sgt. Jeff Goodman attempted to stop a 1989 Cadillac for speeding and an unreasonably loud stereo on Brooks Avenue Northeast.

Goodman activated his overhead lights and continued to follow the vehicle as it accelerated away after turning from Alder Drive Northeast.

The suspect turned left on Shady Lane Northeast and slammed on the brakes leaving skid marks. The suspect then exited the vehicle, leaving it in reverse. Goodman noticed the

vehicle moving backward but was unable to avoid a collision that caused more than \$1,000 in damage.

Other responding units helped establish a perimeter and a K-9 search was executed but the suspect was not located.

Additional investigation led to a possible identification but police officials are not releasing the name of the individual.
