They say a man's (or woman's) home is their castle. If that's so, shouldn't every castle be comfortable in which to live? Few things make a home more comfortable than the temperature—cooler in the hot months and warmer in the cooler months. The experts at *Advantage Heating and Air Conditioning*, led by owner Dan Sommers, can make your home's climate perfect for your needs.

Since its founding in 1992, Advantage Heating and Air Conditioning has been installing, servicing and repairing heating and cooling equipment. "We provide excellent installation of top-branded equipment," said Dan Sommers, "offering discounts, improved longevity and efficiency."

The company's mission is to be the preferred heating and air conditioning company, exceeding their customer's expectations through quality service, added value and partnering with professional, caring employees.

The company was voted Best HVAC in the Mid-Valley in 2017 and again in 2018. They are also a national Top 20 Ruud ProPartner.

Dan Sommers and his team are very much involved in their community. "We came for our community and pride ourselves on being more than a heating company," he said. Advantage Heating sponsors and promotes local non-profit organizations and give a portion of their VIPs to *Called to Rescue*, an organization that helps rescue missing, abused or trafficked children.

When you need to assure your home (or castle) is comfortable year 'round, contact the team at Advantage Heating and Air Conditioning at 503-393-5315.
