Keizer's new police officers Jennifer Starns, Marcus Risteen, Chad Fahey, Jeremy Darst, Jared Van Cleave and Michael Kowash are introduced to the Keizer City Council at its meeting Tuesday, Sept. 4.

New KPD officers take oath of duty

The Keizer City Council's Sept. 4 meeting was a landmark one for the Keizer Police Department. Six new officers were sworn in at once, likely the most at one time since the department became a division of city.

Five of the new officers were hired as a result of a public safety fee enacted by the city council in 2017. The sixth was hired to replace an officer that retired in November 2017.

Officers Michael Kowash, Jared Van Cleave, Jeremy Darst, Chad Fahey and Marcus Risteen were hired as a result of the fee. Jennifer Starns was hired to replace the retired officer. All five men recently completed basic training at the Department of Safety Standards and Training and are accompanying current officers on patrol shifts. Starns began basic training this week.

Chamber director featured speaker at conference

Danielle Bethell, executive director of the Keizer Chamber of Commerce, will be a featured speaker at the Amazing You Women's Conference in Salem on Oct. 5.

Women from Oregon, Washington and California will meet together to listen to and share in the experiences and insights of some of the most powerful and influential speakers while connecting with other like-minded women.

Diamond anniversary at Jackson's Auto Body

Jackson's Auto Body Shop is hosting an open house on Friday, Sept. 21, in celebration of its 60th anniversary.

Jackson's Auto Body was started by Glenn, Walter and Roger Jackson in 1958 and is now co-owned by a third generation of the family. Much of the family still lives in Keizer.

The open house will be from 3 to 7 p.m. at the shop located at 3353 Silverton Road N.E. in Salem.

Keizer's library celebrates 30 years

The Keizer Community Library will celebrate its 30th birthday with activities from Sunday, Sept. 16 to Friday, Sept. 21.

The library, which began life as the Reading Connection children's library at the original Keizer City Hall, moved into the Keizer Cultural Center in 1999 and renamed itself the Keizer Community Library. Currently it boasts an inventory of over 12,000 books, videos, DVDs, large print books and books on tape.

The library also has six computers for use by the public.

The birthday celebration begins with an open house from 2-4 p.m. on Sunday, Sept. 16. Cake will be served.

Other events include:

- **Monday, Sept. 17, 6:30 p.m.**, Books and Bricks, come to hear stories and build with Legos as a family.

- **Tuesday, Sept. 18, 7 p.m.**, Preserving the Harvest, featuring a presentation by OSU Master Food Preservers.

- **Wednesday, Sept. 19, 7 p.m.**, A Passion for Writing, a discussion with local author Jillian Torassa.

- **Thursday, Sept. 20, 7 p.m.**, Putting Your Garden to Bed, presentation by Marion County Master Gardeners.

The birthday celebration ends with Pajama Storytime Yoga at 7 p.m. on Friday, Sept. 21. This event features yoga movements to stories. Appropriate for children 4 and up with their parents.

The all-volunteer Keizer Community Library is supported by donations of cash, books and other media; annual library card fees (\$10 per family); fundraisers; and grants. The library is open Monday through Thursday, 1-7 p.m.; Friday, 1-4 p.m.; Saturday, 10 a.m.-1 p.m.; and Sunday, 1-4 p.m. Many volunteer opportunities exist. The Keizer Community Library is located at the Keizer Cultural Center at 980 Chemawa Rd. N.E. To learn more visit keizerlibrary.org.

MCFD adds career firefighter to Clear Lake Station

Marion County Fire District #1 has increased the services to the Clear Lake area in Keizer by adding additional full-time career personnel for emergency responses.

Medic 33 was established at Clear Lake Station 6 in 2011, bringing MCFD's first 24/7 medic unit into the Clear Lake community, with a promise to continue to look for ways to provide improved services to the community.

The district announced that it has added additional career personnel in place at Station 6 to staff Engine 725 in addition to Medic 33. This current deployment model staffs both Medic 33 and Engine 725 with career personnel Monday through Friday. After hours and weekend responses will be staffed by what is called a Swing Company, meaning that during certain hours, and for certain calls, personnel will respond in whichever apparatus is best suited for the response.

Board Chairman Mike Welter is excited about the expansion of service.

"We've really taken a data-driven approach to ensure that we are providing the most beneficial service during our

peak hours when they are most needed," Welter said.

Fire Chief Terry Riley added, "Our volunteers have done an excellent job of staffing the engine from Station 6 when available, but just as everywhere else in the country, people are busier; lives are busier. Sometimes there aren't enough volunteers available at once for a fully-staffed engine. It was time to dedicate career personnel to the community so that we could get the apparatus out the door faster and fully staffed".

Volunteers at Station 6 will join the career staff for responses on Engine 725 when available, adding additional manpower to calls for service.

This expansion of service also allowed for internal promotions at the District. Three engineers were promoted to Captain and three firefighters were promoted to Engineer. The District also hired one new Firefighter/Paramedic and one new Single Role Paramedic.

Riley said that this deployment model will continue to be fine-tuned in the coming months as data points are monitored for any needed adjustments.
