

Whiteaker football keeps rolling

Whiteaker Middle School's varsity football team ran its record to 5-0 with a convincing 52-6 win over Houck on Wednesday, Oct. 10.

Houck took a 6-0 lead on its first drive, but Braiden Copeland threw a 38-yard touchdow pass to Hunter Ruberto on Whiteaker's first offensive play, and it was all Whiteaker from then on.

Copeland added another touchdown pass to Damon Thornton, while Ruberto, Johann Sanchez-Singh, Angel Munguia, and Logan Bowlby each had a rushing score.

"Houck is not a bad team," Whiteaker head coach Tom Larimer said. "They are bigger than us, faster than us, have a great QB, and a have a lot more kids."

"Our kids just played awesome today. I started coaching youth football over 20 years ago, and I thought this was one of the most complete games any of my teams has ever played."

After the first drive, the Wolverines almost completely shut down the Houck offense.

"People need to realize how good our defensive coaches are," Larimer said.

"These kids are so fortunate to have Coach (Luke) Atwood, Coach (Jason) Walling, and Coach 'Bops' (Mark Atwood). They teach technique and do it with a sincerity and kindness. The kids love and respect them, so the kids know that when they are being pushed, it's because these guys care about them."

Whiteaker's game plan and discipline were on display the entire game.

In addition to Copeland's two pick sixes, Angel Mun-

guia and Kaden Donahue had interceptions, and Brody Roth, Jacob Hurst, Dominic Hughes, and Will Green all had sacks.

"We never even blitzed," said Larimer. "But Coach Walling had his guys on the D-line ready and they dominated."

"It seemed like Hurst and Roth were disrupting almost every play, and Houck could just never get started. Houck's QB is a really good athlete, but our D line gave him trouble all day, and those picks were the result."

Whiteaker plays Claggett Creek at McNary High School at 7 p.m. on October 24, where the undefeated (as of press time) home town rivals will play for the chance to advance to the inaugural SKSD Middle School Championship game on Nov. 1.
