

ELIZABETH SMITH

CITY COUNCIL POSITION # 5
KEIZER, OREGON

I BELIEVE IN

- ★ Knowing our neighbors and working together for our shared benefit.
- ★ Keizer as a safe and vibrant community for our families, friends, neighbors and visitors.
- ★ The potential for a successful River Road Business Community through encouraging appropriate development in Keizer.
- ★ Beautiful parks and public places that reflect the pride and spirit of our town for the enjoyment of all citizens.
- ★ Responsible and efficient land use planning, utilizing our resources for smart and effective growth.
- ★ Affordable housing as a necessary component of a balanced community—especially given our recent increase in population.
- ★ Public education of the highest quality for Keizer's children.
- ★ The need to care and assist men and women who have served our country. As the wife of a disabled Army veteran, I am honored to do what I can to support those who gave their all.

Keizer is the center of my life, my home and my family. Here I raised my children, sent them to school and watched them grow into adulthood. Twenty years experience in mortgage lending has given me a unique and valuable perspective I would like to share with my fellow citizens. My hope and vision is to sustain and encourage every positive aspect of this community to the best of my ability.
