PLUMBING + MECHANICAL

Gormley Plumbing + Mechanical, a family business, began in Nebraska in 1908 by brothers James and Ira. More than 100 years later, James' grandson Ed Gormley, and Ed's daughter Kori oversee a flourishing business based in McMinnville that operates in Oregon and Washington.

The company provides plumbing services for residential, commercial and industrial customers. Their journeyman plumbers and steamfitters have more than 200 years of combined experience. That assures that their customers receive the highest quality of service that is dependable.

The services Gormley Plumbing + Mechanical provide include repairs and service, water heater repair, drain

cleaning, leak detection, backflow testing as well as remodeling and installation.

Ed Gormley and his entire team are committed to service and their customer's total satisfaction. Their great service includes same and next day calls and 24/7 emergency repairs.

"Our success as a business speaks to our ability to provide you with a great experience when you do business with us," said Ed.

Gormley is now serving the Salem-Keizer community. For any plumbing repair and service, whether planned or an emergency, call Gormley Plumbing + Mechanical at 503-375-7620. Also visit them at gormleyplumbing.com.
