**Volcanoes add new sound system**

A new 24-speaker sound system will be ready to elevate the fan experience at Volcanoes Stadium this summer.

There will be eight speakers along each foul line and eight more speakers across the main concourse behind home plate.

The old speakers will be re-purposed and used towards the parking lot.

gets people moving around and has a lot of trick shots."

Senior Noah Kuhl will also be towards the top of the McNary singles rotation.

Brayden Lyda will likely be on McNary's top doubles team, but his partner is undecided at this point.

Sophomores Ben Roth and Kyle Martin should also be near the top of McNary's doubles line-up.

The McNary boys will have some gaps when it comes to dual meets, but McAvoy still feels like he has a crew that he can work with.

"We want to improve, we want to be playing our best when we get to districts and we want to have fun," McAvoy said. "I feel like this group will be able to accomplish all of those things."

"These kids will always compete hard to the last point."

File McNary's Brayden Lyda prepares to set up a backhand shot in a match from last season.
