SPOTLIGHT**

**Keizer Smile Center**  
3975 River Rd N, Suite 5 • Keizer • 503-393-9106

There's an old saying that goes, "Smile and the world smiles with you." Smiles are contagious and they who see their dentist regularly are proud to show off their pretty whites to the whole world. No one understands better the relationship between strong, healthy teeth and gums and a happy, confident smile than a dentist. Healthy teeth and a captivating smile go hand in hand. Trenton LeBaron, DMD, has been helping his patients attain the healthy smile they desire for the last five years at his dental office, Keizer Smile Center, located at 3975 River Road, Suite 5.

"We have a small, personal office," Dr. LeBaron said, "We believe you will find it inviting and comfortable." His practice offers implant crowns, family dentistry, teeth whitening, crowns and bridges, veneers, preventive care and more.

"Because we are a small office, we can treat people as individuals, not as numbers. We have a relaxing atmosphere that allows time for answers to your questions; we can spend more time formulating customized, accurate treatment plans for each patient in need," said Dr. LeBaron.

The dental practice was originally founded in 1977 and Dr. LeBaron purchased it in 2014. He is always welcoming new patients. You can schedule appointments for your family and yourself by calling 503-393-9106.

Keizer Smile Center is ready to assist those who want a lovely smile. "It is our mission to provide gentle, quality dental care to each of our patients with the same care and compassion we want for our own families."
