

Man arrested in car arson tied to deadly DUI wreck

A 33-year-old Salem man has been arrested in connection with a car fire linked to a memorial for three teens that died in a car crash on the Salem-Keizer Parkway.

On Tuesday, July 10, Joseph Daniel Rife was arrested on a single charge of first-degree arson when he arrived for a meeting at the Marion County Parole and Probation Office in Salem. A search warrant was executed on his residence and a dark gray Ram 1500 pickup in connection with the case.

On Thursday, June 27,

Keizer Police was notified around 1:25 a.m. about a red 2008 Ford Explorer that was on fire in a driveway in the 4700 block of 18th Ave.

Damage to the victim's vehicle was estimated to be a total loss, exceeding \$12,000. Through an investigation, detectives were able to establish that Rife was present at the earlier incident linked to a fatal DUI car crash.

Rife was being held on \$40,000 bail.

Personnel from the Keizer Fire District arrived on the scene and extinguished the flames of a car fire on June 27. Keizer Police detectives began investigating the case as arson because evidence indicated the fire was intentionally set.

Detectives believe the fire is likely related to a disturbance

call that both Salem and Keizer police responded to earlier in the evening on Wednesday, June 26 which the victim of the car fire and several other people were involved in a verbal dispute.

The disturbance occurred at the location of a memorial at the Salem Parkway and

Cherry Ave NE. The memorial was erected by family members to commemorate a traffic crash that resulted in the fatalities of three young women on June 2.

The car fire victim was at the memorial picking up items and in doing so, attracted the attention of family

members and others associated with the crash victims who then arrived at the memorial. The person told the family he was there to "clean up" and throw the items away, which they strongly objected to.

Officers diffused the situation on the Salem Parkway, and the parties separated.
