

3 schools placed on lockdown

Cops swarm to Celtic campus after spotting of suspect with gun

police cars swarmed to the campus. McNary High School and Cummings and Keizer Elementary schools were all put into lockdown of some sort as police conducted an armed search and interviewed the student who notified police by text message.

Three Keizer schools were put into lockdown after a student reported seeing a person in the parking lot with a bat in one hand and a possible rifle in the other.

At McNary, students remained inside classrooms while police searched the building but found nothing to indicate the suspect entered the building.

The incident began about 8:15 a.m. and Keizer

The witness described

the suspect as wearing a dark clothing with a dark blue backpack. A hoodie was pulled up over the suspect's head.

Police scanner traffic indicated that a black hoodie was found in the area around the football field, but there was unclear as to whether it might be connected to the suspect.

The lockdown at McNary was lifted about 9:20 a.m., but police were continuing to search the area.

WHY THE KEIZERTIMES?
Working for my community paper combines two of the biggest parts in my life; my passion for journalism and my hometown. I like using my skills to invest back into the community that raised me.

COMMUNITY NEWSPAPERS:
While large news outlets certainly have a place in the journalism community, local

newspapers are the cornerstone for an informed society. If the community paper didn't find the local news, there would be nothing for the larger outlets to build off of.
