

CELTS,

continued from Page A14

each converted three-point plays to tie the game at 35-all. A reverse layup by Junior Nunez gave the Celtics the lead back. Then, after Nunez stole the ball in the backcourt, he found Meithof for a 3-pointer in the corner to get

the momentum in the Celtics favor. Meithof would knock down two more contested triples in the period as the Celtics took a 50-44 lead into the fourth quarter. "As a coach, you have to feel really blessed to be able to coach a player like Nate. You have to coach a player like that a little bit differently because you need to hold him

McNary point guard Junior Nunez looks to set up the offense.

KEIZERTIMES/Matt Rawlings

accountable, but you also have to give him some space," Kirch said. "We have developed a really good relationship and he knows that I trust him. He plays so hard for his teammates. He was our offensive weapon for the majority of the game." Neither team could hit from the field in the first three minutes of the final period. But Tyler Copeland was able to find the bottom of the net from downtown to put McNary up 54-44 with 4:30 to play.

But turnovers and missed free throws plagued McNary in the final four minutes, which allowed Mountainside to crawl their way back into the game. "It was a lot of mental mistakes. On offense we struggled to get open and on defense we struggled to keep their big man in check," Meithof said. "We had the momentum for most of the game, we just have to do a better job of carrying it out on the defensive side." "Quite frankly, we haven't

had the chance to practice a lot of late-game situations, and that's on me," Kirch added. An 11-2 run by the Mavericks cut the the Celtics lead to one with just over a minute to play. Zane Aicher was sent to the free throw line after getting fouled in the backcourt, but missed both shots. Mountainside took advantage when Grayson Rowell knocked down a baseline try to put the Mavericks up 58-56 with 33 seconds remaining. After Mountainside got a

defensive stop, Rowell then knocked down a pair of foul shots to extend the lead to four with 18 seconds left. "I thought fundamentally we didn't handle their pressure very well. We over-dribbled and our footwork wasn't very good. We faced some big moments that our guys just haven't been in before," Kirch said. "Sometimes, when things start going bad, you play like you're scared to make a mistake. We definitely got a little timid. But give credit to Mountainside. They're really good and they put us in those situations." However, McNary's last ditch effort nearly put them over the top. Jaime Ochoa went in for a layup with six seconds to play to cut the lead to two. McNary immediately fouled Rowell after he received the ball on the inbound pass. But Rowell missed the front end of a one-and-one, giving the Celtics one last chance to either force overtime or win the game in regulation. Meithof, who came down with the rebound, elected to go for the win, dribbling the length of the floor and getting himself in position for a step-back 3-pointer. But the ball hit the front rim and fell harmlessly to the floor as the buzzer sounded.

NOTICE

Notice of No Further Action for Northstar Central Property

Project location: Northstar Development: 4985 Kale St. NE, Salem, Marion County Tax Lots 200, 701, 800, 900 and 1000 Map 062W32C

Proposal: The Oregon Department of Environmental Quality plans to issue a partial No Further Action determination for the central portion of the Northstar Development site. I&E Construction is redeveloping this former farmland into a residential community. The pesticide dieldrin was found in shallow soil on the property at concentrations above DEQ's residential and urban residential risk levels of 0.034 and 0.085 milligrams per kilogram, respectively, and required clean up. DEQ approved a final remedial action in November 2017 to clean up the dieldrin contamination in the soil. The remedial action included removal of soil above residential and urban residential risk prior to developing the site. The remedial action was completed on the central property in October 2019. I&E Construction has requested a partial No Further Action determination from DEQ for this portion of the site. The partial No Further Action determination will enable single-family home construction to begin on this part of the property, which includes the eastern two-thirds of Tax Lot 900 and most of Tax Lot 200.

DEQ has also issued a fact sheet to update the neighbors and the community on the No Further Action determination. Please direct any questions or comments on the No Further Action determination by 5 p.m. on Jan. 30, 2020, to DEQ Project Manager Nancy Sawka, at 503-378-5075 or sawka.nancy@deq.state.or.us.

More information: To view project documents and information on the No Further Action determination see DEQ's December 2019 Staff Memorandum and the December 2019 fact sheet for the Northstar site at <http://www.oregon.gov/deq/Programs/Pages/projects.aspx>.

of appropriation under Registration Application GR-3069 (Certificate of Registration GR-2872). The registration allow the use of 450 gallons per minute from a well in Sec. 2, T7S, R3W, WM for municipal water district in Sects. 34 and 35, T6S, R3W, WM, and Sects. 1, 2, 3, 10, 11, 12, 14, and 15, T7S, R3W, WM. The applicant proposes to move the point of appropriation to Sec. 26, T6S, R3W, WM. The Water Resources Department proposes to approve the modification, based on the requirements of ORS Chapter 540 and OAR 690-382-1000.

Any person may file, jointly or severally, a protest or standing statement within 30 days after the last date of newspaper publication of this notice, 01/03/2020. Call (503) 986-0815 to obtain additional information. If no protests are filed, the Department will issue a final order consistent with the preliminary determination.
