**Willow Lake
Golf Center**

Those who play golf know that it is a game of skill, consistency and especially practice. While we all can't be Tiger Woods, we can commit to the game by improving our skills. That is why Willow Lake Golf Center and Driving Range should be on the schedule of every golfer who wants to improve their game. Willow Lake Golf Center and Driving Range is a full-service facility for golfers of any level. Opened on Windsor Island Road in 2003, Rich and Heather Howard purchased the business in 2018 and have been working to provide services for lovers of the game. A fun environment for golfers of all ages, the Center features covered tees (with heat lamps for those cool, damp days), grass tee areas, a putting/chipping area and lots of targets. Classes for groups and individuals are offered as well as golf lessons. Indoors, there is a golf simulator. To assure the body is ready for the game, the Center offers workout classes and massage therapy. Whether a casual duffer or a serious fan of the game, Willow Lake Golf Center and Driving Range treats all customers like family (in fact, many members of the Howard family can be found helping out). Rich and Heather Howard enjoy being part of the Keizer community and invite lovers of golf to hone their skills.
