Clean Energy Comfort is a leading provider of home heating and cooling systems. Their focus is to help customers achieve a maximum comfort level in their home, while minimizing energy usage.

Company president Chris Romine and his expert technicians achieve this through properly sizing a comfort system to match the needs of the home, and then tailoring the system to meet the desires of the homeowner.

Their mission is to be at the forefront of the HVAC industry by continually implementing new ideas and products, and by keeping their employees up to date with continued education and training. They will maintain sustainability and continue to serve their valued customers for many years to come.

The company approaches their business from an educational perspective. They help their customers make the best decision for their homes. They aim to quickly take care of their customer's needs and provide high-rated products that their customers can trust.

The business started in Salem in 2011, and they are now enjoying their large space at 3816 River Road.

If you want to be comfortable in your home when it comes to heating and cooling, call the experts at Clean Energy Comfort at 503-304-1320 or visit them online at [cleanenergycomfort.com](http://cleanenergycomfort.com).
