Kate has got a challenge in front of her, she is going to rise to it," Wise said. "I think she will eventually be one of the better players at that level."

With the 2021 high school softball season tentatively scheduled to begin this April, Ronning is hoping she will have one last opportunity to put on a Celtics jersey.

"I just want to go out there and have as much fun as possible with my teammates. We are a talented team, so we are going to get after it and win as much as we can," Ronning said.

"Kate has basically been a leader since her freshman year. I expect her to be the one that sets the tone with this team. We have such a great senior class that is leaving a legacy during this time," Wise added.

season would require modifications to the Fall 2021 football season.

"There will be ongoing conversations regarding football and volleyball," Weber said.

Even though there will be some crossover, Weber says that multi-sport student-athletes would be able to compete in all three seasons.

"The schedule is set up so that multi-sport athletes can move right into the next sport. Schools can also work together to provide opportunities to workout with a team while still finishing up their (seasonal) sport," Weber said.

It's highly unlikely that there will be playoff brackets and state championships in the OSAA this season, which is why the board wanted to

add a culminating week so that teams could have some semblance of a postseason.

"Having a traditional state title is going to be very difficult, but we're still looking at ways teams can compete in something meaningful as they wrap up their seasons," Weber said.

The board hasn't had a lot of discussion about whether

or not a limited number of spectators will be allowed, but Weber promises that the issue will be addressed in the coming months.

"Our goal has always been to provide the activity first, and then we will talk about if we can have spectators. We will see what the restrictions look like when we get closer to the season," Weber said.

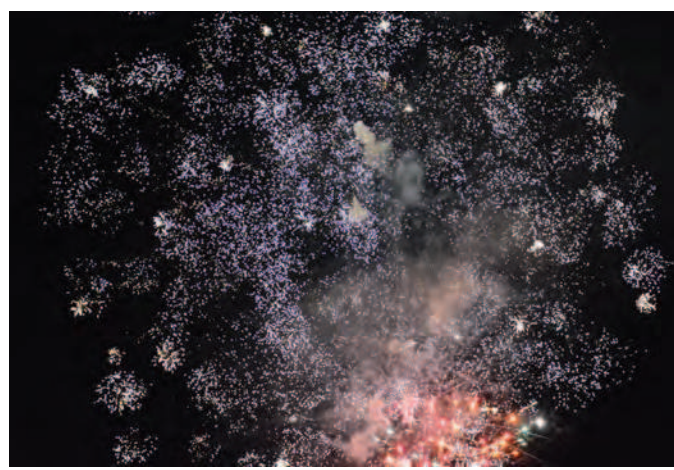

McNary's Jack Baez keeps the ball away from a defender in a game from last season. Boys soccer is scheduled to start March 1.

# Volcanoes host fireworks night

The Volcanoes hosted a drive-in fireworks night on Friday Dec. 4. It was the fourth time this year that the organization hosted a fireworks event.

The Volcanoes next fireworks night will take place on New Year's Eve at 9 p.m.
