goals after winning a one-on-one situation with Huffman.

In the 34th minute, the Saxons took their first lead when Kaitlyn Jones was awarded a free kick from 30 yards away and placed a perfect shot into the upper right corner of the goal.

"You can't do much when (Jones) is placing it in the upper side netting," Brouse said.

After some back-and-forth action to begin the second half, the Saxons took a two-score lead in the 57th minute thanks to a goal by Maeve Morris. Fry scored her second goal of the contest in the 75th minute.

McNary's best chance at a

goal in the second half came with eight minutes left when Kennedy Buss sprinted past the Saxons defense and fired a missile towards the net, but the shot was saved by the South Salem keeper.

field at West Salem on Monday, March 15 at 7:30 p.m.

"This definitely shows us exactly what our focus should be at practice. We need to build our confidence to know that we can compete with teams like South Salem," Brouse said.

youth baseball in Keizer — his father, David, was the student resource officer at McNary High School — but ended up attending South Salem High School to take part in their International Baccalaureate (IB) program. Zavala played alongside Gabe Matthews — a fifth-year senior on the Oregon Baseball squad — during his sophomore year on the Saxons.

While he played in Matthews' shadow in his first year on the Saxons varsity team, Zavala says he really came into his own during his junior year at South Salem. In his senior season, Zavala was named the Oregon 6A Player

of the Year after batting .561 with a .656 on-base percentage and a .939 slugging percentage.

"Everything just started coming together. I was playing the game a lot better and I matured a lot mentally and physically. I was able to slow everything down and play at my speed," Zavala said.

While the Ducks haven't qualified for the postseason since 2015, Zavala has aspirations for his team to make a run at the College World Series — the Ducks are currently ranked #21 in the Collegiate Baseball Newspaper Poll.

"My goal is for this team to win as many games as possible and get to Omaha," Zavala said. "I just want to go out and play the best that I can and let the chips fall where they may."

Even though Zavala, who is majoring in business, has two years of collegiate eligibility left at the end of the season, Zavala is also eligible to be selected in the 2021 Major League Baseball (MLB) Draft in July. While he is far from making a decision about leaving school early, Zavala is elated about the prospect of playing baseball professionally.

"It's definitely something to consider. It's a situation where I will need to weigh the pros and cons. Only time will tell, but regardless, it's an exciting opportunity to eventually play pro ball," Zavala said. "It's always been a dream of mine."

Oregon will open up conference play on Friday, March 12 when they begin a three-game set with Oregon State.

Every customer receives personalized service at Jackson's Body Shop. Shuttle service is provided to and from home or office for customers. Loaner cars are available, also.

The staff at Jackson's are I-CAR trained technicians; Jerry and Larry have more than 65 years of combined experience. "We want you and your family to be safe after your car has been repaired," said Larry Jackson.

To help keep drivers safe on the road, Jackson's Body Shop offers free headlight service and bulb replacement. Aside from helping customers with their auto body needs, the business is deeply involved with community projects.
