Sounds (and looks) nice

Thanks to the 2018 bond, the media production, choir and audio production classes at McNary High School were combined into one space. The project was finished last fall, but students got the chance to experience it for the first time beginning in April.

Photos by MATT RAWLINGS of Keizertimes

- A. Multiple students work on a song in the new recording studio.
- B. The recording studio features a brand new piece of sounding equipment
- C. The McNary choir rehearses a song.
- D. Multiple students work on different projects in the new computer room.
- E. The green room allows students to make their own music videos, among other projects.
