

# Booster club raises nearly \$35K for McNary athletics

The McNary Athletic Booster Club held their annual dinner and auction fundraiser at the Log House Gardens at Willow Lake on Saturday, June 5, and raised nearly \$35,000 for McNary athletics.

"I was in awe of how many people came out to support our athletic programs," said auction chairperson Amy Herradura Bauer. "It was great to see the community out to support a really good cause."
