No more over due fines!

The library has eliminated overdue fines. You will not be charged an overdue fine in the future, and all overdue fines currently on account have also been eliminated. When you return your books to the library, they will be checked in "fine-free." Our new book return is open 24/7 - drop off your books and DVDs at your convenience. The library believes that charging overdue fines impedes equity and undermines our mission to encourage lifelong reading.

Summer Reading Challenge

"Reading Colors Your World" is the 2021 theme for the library's summer literacy program for children. Find us on the plaza behind the library to register and receive a log to track your reading, pick-up a craft bag and to sign-up for prizes. We're remodeling!

Big changes are underway at the library this summer!. We are remodeling to create a welcoming space with room to host events. A wall and unnecessary counters have been removed, and books and DVDs are being boxed up so we can paint and recarpet. We are also remodeling our website and library computer system. The new systems will allow you to place holds on items you want to check out, and we will email/text/call you when they are ready to be picked up.

Curbside Pickup is on vacation while we make these changes. We expect to resume Curbside Pickup in August and are planning to fully reopen the library in September. We can't wait to welcome you in so you can see your beautifully remodeled library.

A great place to volunteer

It is an exciting time to volunteer at the library. Consider sharing your time, skills and knowledge with this unique and valuable community resource.

Featured this month is **BOOK DONATION SORTER**. This volunteer reviews our many book and DVD donations to identify what to add to our collection, what might be a rare or valuable book, and what to include in our next book sale. This, and other volunteer job descriptions, can be found on our web site at www.keizerlibrary.org.
