VOLUNTEER of the Week

APRIL McVAY

Where and how do you volunteer?

"I try to make myself available as needed. Whether it be locally focused at the Keizer Chamber or events like Wake the World."

Why do you volunteer?

"Brian (husband) and I took time awhile back to look at groups we were supporting ... We educated ourselves on how the money was spent and who touched it. We realized we wanted to make an impact on our youth in the community and our community in general. So that is what got me involved in actually volunteering with organizations that are making a difference in our community."

How would you get others to volunteer in their community?

"For the first time I am a Keizer Chamber Board member. I took on chairing the Keizer Network of Women or K.N.O.W. We work with the community, with schools, shelters, the business community and local women in business to help create opportunities for youth and those in need ... We are currently working on our annual Keizer Chamber KNOW Percey event. I have headed and worked at our school's auctions also. If you have never volunteered and need help, feel free to call us anytime. What really works is to find what makes you passionate and help in that area. Whether it be in your community, with kids, at parks or any other passion you may have. There is a place for you and the need is real!"
