

Keizer Fire District has record-setting July

In July, Keizer Fire District (KFD) broke the district record for most calls in a month.

KFD ran 608 calls for service in July — it is the first time they have ever had over 600 calls in a month.

There was an average of 19.6 calls per day coming out of the lone station.

KPD staffs one battalion chief, one engine company and three medic units, all with 10-12 firefighters.
