

Feel-Good STORY

Saluting the people that make us proud of our community

presented by

Keizer City Councilor Roland Herrera hosted a get-together in his neighborhood at Country Glen Park and helped raffle off nearly two dozen prizes for attendees.

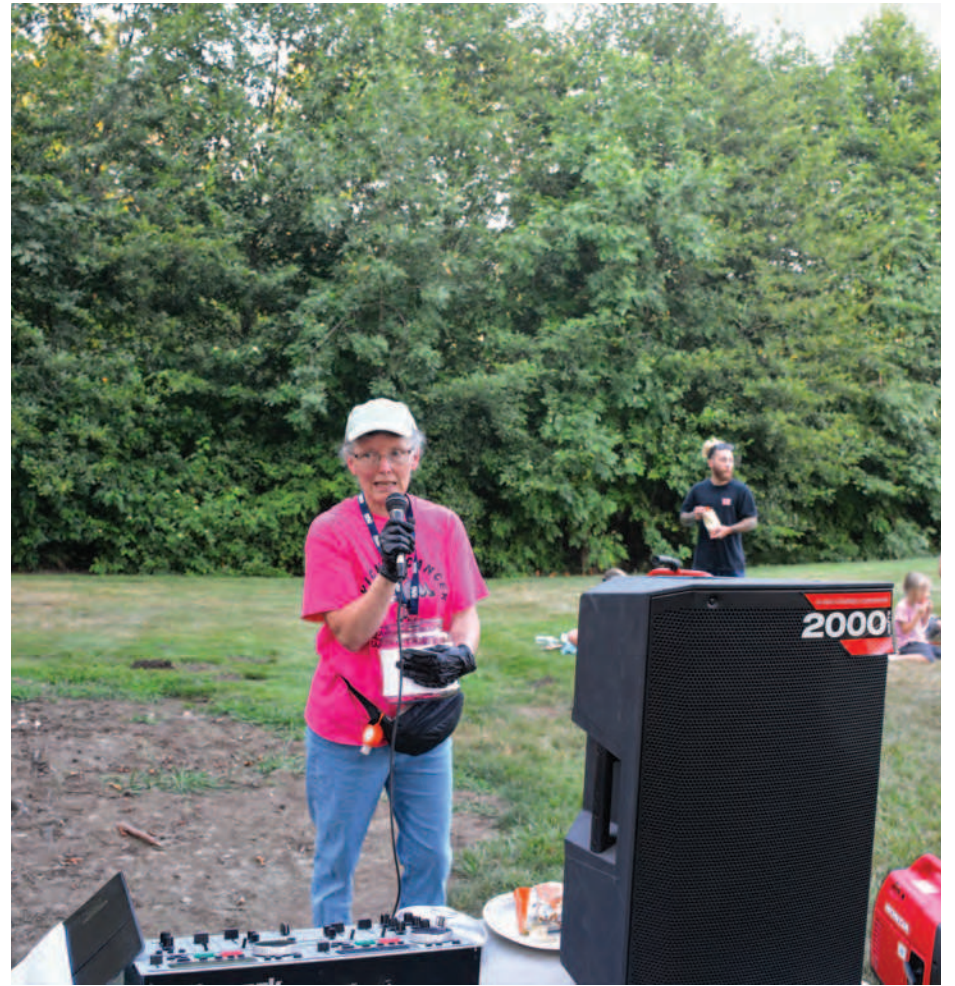

“It has been amazing, because we have an amazing neighborhood. All these relationships are beautiful. The reason we have this night out is for our community. Crime goes down and people get along better. Bringing everyone together is amazing,” Herrera said. “It is all about relationships. To me, the most rewarding thing is having people meet people and get along. As a city

councilor, I love when we do this because it means so much for our community to know each other and support each other.”

“Everybody in Keizer knows the value of our community ties. Our fire trucks are blue, the city logo is blue, the street signs are blue, and these are the types of events that link all that together. This is what makes Keizer such a close knit community,” added Keizer Fire Chief Jeff Cowan, who attended a get-together at McNary Estates.
