Jackson's Body Shop is owned and operated by the third generation of the family since its founding in 1958. Current owners (and cousins) Jerry Jackson, the president and Larry Jackson, the vice president, are following the same ideals set down by their fathers and grandfather.

Every customer receives personalized service at Jackson's Body Shop. Shuttle service is provided to and from home or office for customers. Loaner cars are available, also.

The staff at Jackson's are I-CAR trained technicians;

Jerry and Larry have more than 65 years of combined experience. "We want you and your family to be safe after your car has been repaired,"

said Larry Jackson.

To help keep drivers safe on the road, Jackson's Body Shop offers free headlight service

and bulb replacement. Aside from helping customers with their auto body needs, the business is deeply involved with community projects.
