the second quarter on a 20-yard touch-down pass from Layne to Gabe Olvera, putting Lake Oswego up 14-0.

The Lakers scored with less than a minute remaining in the half after another McNary turnover, extending their advantage to 21-0.

“They got some playmakers over there. They have about five kids faster than any kid that we have,” Auvinen said.

Both teams showed off their play-making ability in the third quarter.

On their first drive of the second half, McNary found the end zone for the first time as Tyler Copeland connected with Braiden Copeland down-field for a 44-yard touchdown to make it a two-score game.

“We made some blocking adjustments that gave Tyler a little more time to look for his brother, which gave Braiden a chance to go up and use his athletic ability and physicality,” Auvinen said about McNary’s halftime adjustments.

However, on Lake Oswego’s first play of the second half, Olvera took a screen pass from Layne and raced past the Celtics defense for an 80-yard score.

After struggling with the Lake Oswego pass-rush in the first two quarters, Tyler Copeland escaped pressure with a pair of long runs on McNary’s following possession. Later in the drive, Tyler found Braiden once again for a touchdown, this time from 30 yards out, trimming the deficit to 28-14.

Although he had three interceptions on the night – he only had two on the season coming into the game – Tyler Copeland was proud that he was able to throw a pair of touchdowns to his

brother in his final game in a McNary uniform.

“I didn’t have the best game, which sucks, but going out with two touch-downs to my brother, I am going to remember that forever,” he said.

But later in the third quarter, Olvera caught his third touchdown of the night, scoring from 35 yards out to make it a 35-14 game, putting the game out of reach for McNary.

“If we don’t give up those two long (touchdowns) in the second half it’s anyone’s ball game,” Auvinen said.

McNary finishes the season with a 7-4 record.

“It was a good year. The kids battled through all that adversity and really bounced back,” Auvinen said. “We had great senior leadership and I am really pleased with how the kids progressed.
