SPOTLIGHT

The ground you walk on tells a lot about you. The flooring in your home and office express so much and visitors will have an impression immediately. That's why what is on your floors is as important as your furnishings and the exterior of the home or office building.

Jason purchased the business in 2018 and moved the store location from west Salem to Keizer Plaza. When flooring is on your shopping list for a total make-over, a remodel or a new construction, Valley Flooring Center needs to be on your list of stops.

Jason Wick and Valley Flooring Center in Keizer have the selection to help your floors make the impression you want. Carpet, vinyl, hardwood, luxury vinyl tile/plank and laminate flooring — in other words, flooring for all walks of life.

“When people come in, they deal with the owner,” said Jason Wick, “we are a small, family business. It’s a friendly way to get things done — dealing with one person through the whole purchase and installation process.”

A customer will find low prices (not cheap,

but low prices). With low overhead, Jason is able to pass the savings on to his customers.

“We hold true to our word,” Jason added. “We are an honest business. Our installers arrive when promised.”

Aside from floor coverings the store also offers carpet and vinyl remnants at huge

savings. They also have formica for countertops and carpet cleaning.

When your floor needs to make a statement, see Jason Wick and his team.
