After sprinting to a big lead in the 100-breast, Montague was almost overtaken by Caldera's Sage Cramp, but the McNary junior was able to finish strong in the final 25 yards to secure the win.

OSAA in need of umpires for spring season

The Oregon Athletic Officials Association and the Oregon School Activities Association are recruiting officials for the high school spring sports seasons. There is an immediate need for umpires in baseball and softball.

Becoming a high school official has several benefits including staying involved in athletics, maintaining good physical condition and earning money.

“Oregon has an urgent need for officials in all sports,” said Jack Folliard, OAOA executive director. “Officials provide valuable service to high schools and students, make a positive impact in the community and build relationships.”

The registration period for baseball and softball umpires ends April 22, 2022.
