

"The semis were a heartbreaker for him. I think he probably wishes he would have taken a better shot in the overtime, but he's an experienced wrestler. He knows how to let it go and focus on what's next. He knew what he needed to accomplish and he went out and handled it," Martin said.

In the 170-pound division, Josh Friesen earned three straight falls to advance to the championship match, including an upset win over the two-seed Sayre Williamson from Mountain View in the semifinals.

"On paper it was an upset, but I don't think it really was. The kid from Mountain View was tough, but Josh had a little bit of a killer instinct and took advantage of his opportunity," Martin said.

Although he lost to Sprague's Riley Davis, who won state at 160 pounds last year, in the championship, Martin was impressed with Friesen's performance.

"Josh gave Riley Davis one of his longest matches of the year. He really had a good tournament," Martin said.

Despite being academically ineligible for most of the season, McNary heavyweight Layne Runyan got his grades right in time for the district tournament and made the most of his chance.

Runyan fell in the semifinal bout to Sprague's Cole Steketee, but came back to win back-to-back matches via pin, placing third and earning a spot at the state meet.

"We expected Layne to finish exactly how he did. It was good to have him back out there. He looked really good and he will be ready to go for state," Martin said.

McNary's other heavyweight, Anthony Cruz Lopez, placed second in the division, earning first round pins in his first two bouts.

Joey Barros (106) and Jonathon Canchola (138) were McNary's other

top finishers, placing fourth and fifth respectively — top three finishers qualify for state.

The 6A state tournament will take place at Sandy High School Feb. 25-26, and Martin is hoping to see multiple McNary guys finish in the top six.

"I want to see people on the podium. Max was our first state placer in a while last year, so it would be great to have multiple this year. We have the ability to have multiple state placers," Martin said.
