VOLUNTEER of the Week

BETTY HART

Where and how do you volunteer?

I serve on the Board of Directors of the Keizer Fire District where I am the treasurer. In addition, I am a member of the Keizer Rotary Club, the Board of Directors of the Keizer Community Library, the Emergency Food and Shelter Local Board where I am the vice chair, the Board of Director of the Oregon Jaycee Foundation, and three committees for the Girl Scouts of Oregon and SW Washington.

How would you get others to volunteer in their community?

Because I see volunteering as a way of investing in my community and because of the things I get to do. For instance, I get to help allocate federal funds for emergency food and emergency shelter. I get to oversee that emergency fire services and emergency medical services are available to the people of Keizer. I get to help give scholarships to outstanding young people, which gives me hope for the future.

Others could be volunteering instead of me, but I get to do it.

What does volunteering do for you?

It makes me feel like I am making a difference in my community.

How would you get others to volunteer in their community?

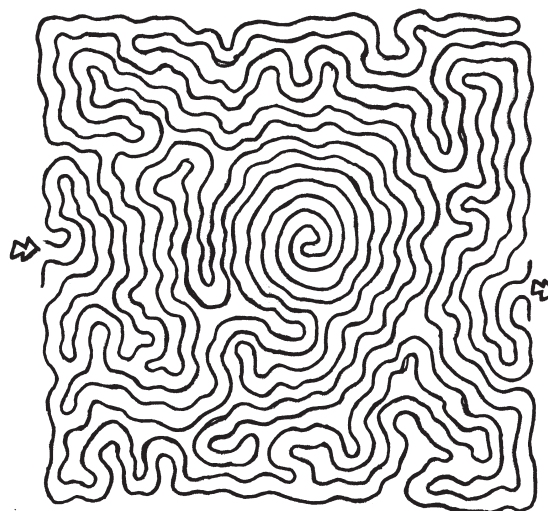

By inviting someone to volunteer with me, by asking someone about their interests and offering suggestions about where they might be able to volunteer, and by serving as an example as a volunteer.

Enter digits 1-9 into blank spaces. Every row must contain one of each digit. So must every column, & every 3x3 square.

We of the Keizertimes would like to appologize for missing the Sudoku for last weeks paper (edition 03-11-2022), and thank those for calling in when they caught it. We hope you did not find it too much of an inconvenience.
