Nighthawk Woodworking

Phone: 503.877.3367 • Facebook @nighthawk.woodworking

Miles Christy loves wood. “When I was younger, my grandfather was a carpenter and I followed him and my dad around everywhere when they were working around the house. My interest in woodworking grew out of that,” says Christy.

Christy’s interest became Nighthawk Woodworking, his business he operates in his Keizer home. His main focus is custom work. “My signature service is the customization I provide from custom closet doors to tables

designed for the exact space where they will sit,” he explained. He also creates boxes designed around the object they will hold.

Custom furniture projects Christy has finished range from smaller cabinets and bookshelves to headboards and coffee tables.

Since starting Nighthawk Woodworking in late 2019, Christy has crafted each piece with the highest quality regardless of the size of the project. “I make sure all the

details are taken into account, from the grain pattern in each board to the finish that is applied,” he said.

His main goal is to keep wood products affordable price. “I work with each customer personally to meet design criteria and budget,” said Christy.

Examples of Nighthawk Woodworking’s creations can be found on their Facebook page (@nighthawk.woodworking). To set up an appointment to discuss your wood project need, call Miles Christy at 503-877-3367.
