VANPORT CITY 4TH OF JULY PICNIC SCENES.

Who would not recognize these scenes? Of course this is just a sample of the very swell time that was enjoyed by everyone present at a recent dance at the Portland Army Air Base.

Homeowners will welcome news from the War Production Board that a limited production of electric water heaters has been approved. Further, the War Production Board established a new quota for production of non-electric water heaters. Restrictions also were removed from the manufacture or fabrication of metal jackets for water heaters. It was pointed out that metal jackets will be permitted again because paperboard proved unsatisfactory.
