PAAB NEWS

By Cpl. Edward W. Perkins
Now that the baseball season is over I thought you might be interested to see some of the figures compiled on our fine Base team. Hampton lead the "Bombers" with a batting percentage of .406, closely followed by Brown with a neat .386 to his credit, third place went to Nettles who had an average of .381. Foster was the fourth player to maintain an average above the three hundred mark with an even .333. Hampton also lead in home runs, with 8 to his credit for the season. Brown, by a strange coincidence, was second in circuit blows, garnering 5 for the season.

Our squadron was the proud recipient of second place in the weekly retreat parade held on the base last week.

Guess it is about time for us to start the old basket ball a rolling again as we have hung up our base ball togs till spring.

Let you be not reminded I would like to mention the fact that the Squadron Quartet was winner, by a walk away, of the recent "Battle of Spirituals" held in Vanport City Recreation Hall recently. We of PAAB are proud of our Squadron Quartet.

Thanksgiving Day November 23

Thanksgiving Day, usually celebrated on Nov. 30, has been moved by Governor Snell to Nov. 23 this year. As there are no national holidays in United States, each state has jurisdiction over the holidays it observes. Kentucky for instance

does not observe Thanksgiving Day. If you care to delve farther into this subject, we refer you to page 182 of the World's Almanac.

Oregon's observation of Thanksgiving Day follows an old Pilgrim custom, and the laws of this state will be based on it; that the fourth Thursday of each November be known as Thanksgiving Day.
