

Home- away from home

The Williams Avenue branch of the U.S.O. provides relaxation and entertainment for enlisted servicemen. Not only are barracks provided, but G. I. Joes can enjoy dancing, music, games and entertainment. U.S.O. centers like this one, along with camp shows and overseas entertainment, are provided by your War Chest donations.

NOTHING is too good for our fighting men, whether they're in camp or overseas. But in many places, real entertainment and relaxation are hard to find. One of the best known beneficiaries of United War Chest funds are the many U.S.O. service clubs and recreation centers, responsible for giving our boys a "home away from home" and entertaining our fighting men in camp and at the front.

Yet the fine work of the U.S.O. centers is only one of the 60 worthy and necessary agencies that are supported by your War Chest dollars.

Give generously this year—the need is greater than ever before.

Give to Portland-Multnomah County
