The purposes of the group are to support bonafide inter-racial groups, associations and leagues registered locally or with the Social Science Institute nationally. To expose and boycott "Wildcat" or "Dues Collecting" non-representative organizations.

The national office of this inter-racial group publishes a pamphlet monthly on the types of associations organized, especially to dupe the Negro, this pamphlet also includes the names of organizations and the people connected with them. There will also be a pamphlet issued locally.

The A. R. M. S. G. is a non-partisan, non-profit organization and does not deprive its members of their political belief, and is a safeguard against unscrupulous people and their henchmen.

**Sorority Dance Here Dec. 4**

The Delta Sigma Theta Sorority Dance is going to be the dance of the season. This group of civic-minded young ladies are giving residents of the community an opportunity to dance with a purpose. Their dance which will be held at Norse Hall on December 4th is for the purpose of raising funds to create a permanent loan fund for the benefit of young college girls who need assistance. Their spirit of generosity has as its basis the whole-hearted intent of these girls to see that other members of their race have an opportunity for training such as they themselves possess.

Everyone can help them in their laudable ambition by attending and making this affair a financial success.

Joe Crane and his Orchestra are scheduled to play for the dance.

A ceiling price of \$6.50 a pair has been set on two types of men's army service shoes which have been declared surplus by the army and will be sold to civilians as work shoes. A Ration Stamp will be required for them. Both types have leather soles, one with a leather tap over the sole and the other with an outside rubber top over the sole. The are russet tan with straight tip and bellows tongue.

If fruits and nuts figure prominently in your holiday menus, make not of these recent price changes. Ceiling prices of bananas grown in Panama, Costa Rica, Guatamala and Honduras have been lowered about a cent a pound. Florida tangerines are up about a cent a pound and packed cranberries will cost about three cents more per one pound can. New ceiling prices for filberts are from two to three cents a pound higher for those in the shell and nine cents higher for the shelled nuts.

Shoes made after Dec. 1 of a certain quality of pigskin, and containing no other leather may be sold ration free. This type of pigskin, known to shoemakers as "baccon rind," is mostly for women's and children's shoes, and for reinforcing canvas gym shoes to improve their wearing quality.

**NEW TALENT COMES TO V. B. A.**

In keeping with his promise to bring the best talent possible to Portland, "Charlie" Garrett has done it again at the Voters Benefit Association. Topping an already brilliant array of fine entertainers he has spared no expense in bringing to Portland one of the West Coasts best Pianists, Don Anderson. Many people here either know or have heard of this ivory tickler and know he is a piano player of no mean ability. He has been ranked with the best of them, the great "Fats" Waller, Teddy Wilson, "Father" Hines and others. As a piano petter he really has something on the ball. His first appearance at the Voters Benefit Association will be Saturday night and we will give odds that after Portland hears this former son, there will be standing room only.

Don's piano playing ranks second only to his lovely wife's singing, also part of the "Show" at V. B. A. She croons those soft sweet numbers between the regular Floor Shows. Just ask "Sue" to sing your favorite number and you are do to hear it as you possibly never heard it sung before.

Both "Sue" and Don are here as the result of a promise by Charlie Garrett to give Portland a real Night Club. To those who have not seen it, take it from me, you are missing out on something. A Night Club with an authentic Eastern atmosphere and the best to be found in the Pacific Northwest.

**Smoker In Vanport Friday**

Community Center Number One will be the scene of a Smoker on Friday evening and the public in general is invited. There will be 8 amateur bouts and one for all. According to his trainer, Ed Lewis, he is the real McCoy.
