## Union Sponsors Base Ball Team

Scalers Union No. 1404 of Portland is sponsoring and financing a baseball team of our group who are playing under the name of "Swing Shifters."

Recently the Executive Board of Local No. 1404 recommended that the Union finance this team and has purchased new uniforms, bats, ball and other equipment for them. No. 1404 is on the backs of the suits, representing that union.

These boys have been playing splendid ball.

Last Sunday they played a white team—from Woodstock—a double-header. The first game was won by the white boys—5 to 3—the second won by the colored—5 to 3.

This Sunday, July 1, at 1 P. M. they will play the Sunnyside Team at Powell Field, 22nd and S. W. Powell. The public is invited.

All members of the Executive Committee No. 1404 and members are especially invited.

Any ex-baseball player with talent who belongs to Local No. 1404 is especially invited to join. Admission to the games is free.

## Park And Playground Activities

All parks, pools, and playground areas will be open to the public through the Fourth of July holiday with full assignment of recreational directors in charge and special programs in keeping with the spirit of the day are planned, announces Miss Dorothea Lensch, director of the park bureau's recreational division.

"Portlanders should feel particularly fortunate in having available to them so many recreational areas—close to home. Almost every section of the city has its own park or playground where members of the community can find a diversity of intersts in beautiful outdoor settings. There are over 50 parks and park playgrounds scattered about the city, eight outdoor swimming pools and four indoor pools, as well as many community recreation buildings. There are flood-lighted areas for night games, for tennis, softball, baseball, ping pong, badminton and other recreational activities at Buckman

## Kennedy-Tracey Winner to Battle Kahut This Fall

Big "Moose" Kennedy, the heavyweight sensation of Vancouver, is headed for another crack at the only man to K. O. him since entering ring circles in this area. This was definitely decided when the winner of the Kennedy vs. Tracey bout was offered an outdoor match with Joltin' Joe Kahut, sometime in August.

The bout next Friday with Tracey is a test for Kennedy. Both of these heavyweights have impressive records. Tracey has beaten some good men and so has Kennedy. Tracey comes from California and this will be his first Portland appearance. Both men have another thing in common, they have both ran out of opponents in their own locality. In the absence of Kahut there is no one even remotely thought of in the same ring with Kennedy around Portland. In his last bout Kennedy showed that he had not lost any of his original K. O. style and after giving the "Irish Giant" Mike O'Grady a boxing lesson for three rounds, administered a sleeping potion in the fourth. The highly touted "Irish Giant" never shouted anything that looked like trouble for the hard hitting Kennedy. We do not know what this Tracey is like, but if he is not all that his record says he is, we predict an early K. O. via the Kennedy right.

The rest of the card for Friday night's melee includes Leroy Durst of Longview, Washington and Johnny Belanger of the U. S. Marines in an eight rounder. A six round bout that is scheduled to be a Lulu brings together our own Eddie Wharton and Booker Ellis of the U. S. Navy.

First bout is slated for 8:30 P. M. and the tickets go on sale Thursday at J. K. Gill.

We wonder just what His Royal Highness is going to do with his spare time now since he has retired? Or has he retired, you know he said if he lost to Roy Miller he would retire and we are looking for him to retire most any day now. Incidentally Leo need not feel bad about losing the decision to Roy Miller, if performance means anything he will be proud to say that he stayed those ten rounds with Miller. We predict that this guy Miller is championship stuff and will be a headliner in Madison Square Garden before he is a year older. He fights his own fight and make the other fellow fight that way too. A smart campaigner and one to keep your eye on.
