

Veteran's News

Veterans should remember to keep their national service life insurance policies paid up after discharge from the service, Hugh E. Rosson, director of the state Department of Veterans' Affairs, advised this week. The fact that a man is discharged from the armed forces does not terminate this insurance, provided he continues the premium payments, Mr. Rosson explained.

If the veteran has allowed his insurance to lapse, however, he may have it reinstated, either within six months after date of discharge or within three months after date of lapse, whichever is later, by payment of only two monthly premiums without interest and by filing a statement showing that he is in as good health as he was on the date of lapse.

After expiration of the two periods stated above, the veteran must be in good health and furnish satisfactory evidence thereof in the form of a complete physical examination. This examination may be obtained free through the Veterans' Administration. Other facts to remember:

1. First premium payment after discharge is usually payable during the first month of discharge.
2. Always show policy number when making payment.
3. If number is not known, payment should be accomplished by a letter giving name, serial number, rank, organization, and date of birth.
4. At any time after the policy is in force for one year, but before the expiration of eight years, it should be converted into ordinary life, 20-payment life, or 30-payment life policies.
5. Checks, drafts, or money orders for premium payments should be made payable to the Treasurer of the United States and sent to: Collections Subdivision, Veterans' Administration, Washington 25, D. C.

LIONEL HAMPTON CROWNED "KING"!

LIONEL HAMPTON AND HIS ORCHESTRA, with vocalists Dinah Washington and Madeline Green, has been crowned "the No. 1 Box Office Champion" and "King" of 1945's bandleaders on the record of his stellar performance by the Independent Press Service. The poll nominated as runner-ups (in Positions 2, 3, 4, 5 and 6): Count Basie, Woody Herman, Louis Jordan, Gene Krupa and Louis Prima. This definitely was a popularity poll. The bands selected were named because of their appeal at the box office.

Hampton, vibraharp and drummer, in his appearance at Carnegie Hall a while back evoked so much enthusiasm many critics thought for a time that this swingfest at the "Home of Ultra Modern Concerts" would bring about a ban on jam-sessions there. But, no, "Hamp-the-Champ" will appear there once again early in the Spring. In the meantime he is going about the country creating new box office records and breaking old ones. You see him above with Dinah and Madeline, two gals who really can chirp. Hail the King! . . . "Hamp" the Champ!!

Massachusetts' Governor Seeks FEPC Law

BOSTON—(ANP)—The liquidation of the federal FEPC here may soon be followed by a state fair employment practice law patterned on New York state's Ives-Quinn anti-discrimination law.

Backing of such a measure is said to be favored by Gov. Maurice J. Tobin, who recently received unanimous report in behalf of the New York law from a committee he appointed to study the results of closing federal FEPC offices here.

The committee reported that both the New York and New Jersey FEPC laws have a "very salutary effect upon employers and employees alike."

The proposed law would improve on a measure killed by the Republican-controlled state senate last year, in that it would provide fines of \$500 or one year's imprisonment, or both, for each offense. The old measure lacked teeth.

The four-man committee, headed by Frederick W. Mansfield, ex-Boston mayor, vigorously brushed aside opposition arguments by a spokesman for the Associated Industries of Massachusetts. It said he based his arguments "not upon actual experience but upon dark and pessimistic forebodings of the evil which he confidently asserted would descend upon and over-

whelm industry" if an FEPC law were passed.

Seeking "justification for these alarming prophesies," the committee heard testimony by Henry C. Turner, administrator of the New York law, by Harold A. Lett, who helps administer the New Jersey law, and others.

Negro Student Cited at University

By C. Melvin Patrick
SHRIVENHAM, England (ANP)—Technician fifth grade George E. Jackson, son of Mr. and Mrs. George N. Jackson of 1000 Oregon avenue, Columbus, O., was awarded the Certificate of Merit by Brig. Gen. Claude M. Thiele, commandant of SAU, on Dec. 5.

Jackson, a former free dance photographer, and advance photography student at the army university, was cited for his photographic coverage of every phase of collegiate life at SAU. His work was done in preparation of a documentary history of the model army university which operated for two terms at Shrivenham.

The hundred page history, whose text was written by Capt. Robert C. Bone, school historian, will be distributed by the war department to every university and college in the United States. Two other enlisted men cited by the school commandant for their part in the preparation of the manual were Sgt. N. S. Weinberger and Pfc. Harry Orringer of New York City.

Says Vets' Rights Are Abridged in Legion Charter

PHILADELPHIA — (ANP) — Rights of Negro veterans have been abridged by the American Legion's refusal to grant them charter rights in five southern states.

That stand was taken here last week by the National Baptist veterans in stating their policy. The Rev. Bertram E. Barton, commander-in-chief, said:

"Since the American Legion and the Veterans of Foreign Wars of the United States are supposed to issue charters to any group of veterans who served under the American flag and are honorably discharged or whose present military services are honorable, regardless of race, creed or color or previous conditions of servitude.

"Their past and present tendency to differentiate in many of the southern states when the personnel is colored is directly against the principles of these organizations and against the principles for which congressional charters were granted them."

Since such prejudices exist in these national organizations and since the majority of the personnel of the Veterans administration is from these organizations," Barton questioned "whether the Negro veterans gets proper and unbiased consideration in his claims for benefits."

The National Baptist veterans organized because the "constitutional rights of colored veterans are abridged," said Barton.
