PACIFIC COAST.

UTHIT & ELLIOTT. . A Minister Convicted of Smuggling Opium.

The Anti-Sunday Saloon People at Tacoma Succeed in Obtaining a Conviction.

There is a slack in the salmon catch Spokane has voted to issue \$1,200,000

The Northern Pacific will build coal bunkers at Tacoma that will cost \$50,-

for public improvements.

Freightmen think the total potato shipments from Southern California will reach 18,000 carloads. The disaffected Indians on the Banning reservation have chosen William Williams, a full-blooded Indian, as chief. A Sacramento firm has got the con-tract for the new public building at the State Capital. It will be of Ione sandstone. The bid was \$115,000.

General Chipman's appointment to be Chief of the Horticultural Department at the Chicago Fair gives great satisfaction all over Northern California. The World's Fair Committee of the San Diego County Chamber of Com-merce has adopted definite plans for a

grand exhibit of growing citrus and de-ciduous fruit trees at Chicago. The Portland Distillery and Cattle Feeding Company is building a distillery a few miles east of Portland on the line of the Union Pacific. It will have a ca-pacity of 1,000 bushels of grain a day.

The anti-Sunday saloon people at Ta-coma have succeeded in obtaining a con-viction, and saloons and gambling houses will hereafter be closed on Sundays. The saloon people have appealed

The Bradstreet mercantile agency reported twenty-two failures in the Pacific Coast States and Territories for the past week, as compared with ten for the pre-vious week and nine for the corresponding week of 1890. Four new wells are now being drilled in the Newhall oil fields in Los Angeles

county, and several more will soon be commenced. The product of the New-hall section is now 900 barrels a day, and is steadily increasing.

passed a sweeping retrenchment ordinance, also shing several offices and reducing the salaries of many others. The total annual saving by this ordinance is estimated at about \$45,0:0.

An unusually large amount of wild oats is growing in Southern Oregon this year, owing to the late, wet spring. In consequence the grain crop will not be as large as at first expected, while the yield of hay will be correspondingly bearing Bros. Iquidators report a ballance of \$8,700,000.

Elder Gerrard, a Presbyterian divine, who was detected at Port Townsend in smrggling opinm in a flower-pot con-taining a large geranium, has been con-victed of the offense by the United States Court. The flower-pot held nineteen cans of prepared opinm.

The banks of Los Angeles pay on an average taxes on about \$500 worth of property, and the City Assessor is determined that they shall pay something like a fair proportion of the law's exsctions, and has prepared a series of questions to be asked the cash ers.

questions to be asked the cash ers.

The Sunset Irrigation district has voted \$2,000,000 of bonds for the construction of canals by which to lead water to lands on the west side of the San Josquin river. It is calculated that the canal will open up to cultivation 400,000 acres of land, which now is nearly valueless.

The Oregon Board of Charities has been in session during the past week. Rev. Cline, Messrs. Cohen and Strang have been investigating the prison, and Rev. White, Drs. Holt and Carle went

through the asylum, and reported ver-bally. It is understood that both visits were satisfactory. Two members of the Death Valley scientist expedition report having seen the trail of a man and horse, who seemed to be lost. The man was evidently seeking water, and at one point left the trail within a few hundred varies of what he sought. There is no doubt that death sought. There is a overtook the man.

It is said at Tacoma that the Northern Pacific Railroad Company now owns the Seattle and Northern railway, extending from Hamilton on the Skagit river through Sedro to Anacortes, a distance through Setro to Anacortes, a distance-of about thirty-eight miles, the most productive farming districts in the State, and at Hawitton the road strikes the rich Skagit river mining district.

S. J. Fleming, the Methodist minister who was septenced at Los Angeles to three years at hard labor for a criminal three years at hard labor for a criminal assault, and who is confined in the county jail awaiting the ruling on the motion admitting him to bail pending the decision of his appeal to the Supreme Court, has become a raving maniac, having a succession of violent fits. Doctors say his case is dangerous and that the suspense is killing him. It is generally considered that the sentence passed upon Fleming was severe.

Within a month California's muchwithin a month cantorna's inheli-talked-of naval reserve will be estab-lished. At the last session of the Legis-lature a bill was passed creating a naval reserve, an auxiliary to the National Guard. It has been ascertained that Adjutant-General Allen had received a Adjutant General Allen had received a reply to a letter written to the naval au-thorities for information concerning the plans for its creation. It has been de-cided to have a battalion of four compaales. Each company will number about sighty men, so that the total strength on the reserve will be 320 men.

And now the New York Rapid Transit Commissioners talk about putting tun-nels on the east side of the metropolis also, a talk which is received with many wry faces by the majority of New York-ers, who are in nowise ready for the underground. As Jay Gould said, they underground. As Jay Gould said, they want to go there as late as they can. But J. G. owns elevated railroads and

THE NATIONAL CAPITAL.

Assistant Secretary Nettleton Directs the Return of a Pauper Immigrant.

The President has recognized Vladi-mir Artzimocvitch as Consul of Russia at San Francisco, and J. O'Connor, Con-sul of Belgium, at Portland for Oregon, Washington, Idaho and Montana.

CHIPMAN APPOINTED CHIEF.

CHIPMAN APPOINTED CHIEF.

Chipman and office has issued an order directing a survey of Forts Sisseton and Maginnis (abandoned military reservations) for the purpose of throwing the land open to settlement.

Secretary Proctor has prepared a statement showing the desertions from the army are less now than at any time since the war closed. The desertions for May are less than half what they were for several years past, and the ratio of the decrease is constantly increasing.

Secretary Foster has received a dis-patch from General Grosvenor, Chairpatch from General Grosvenor, Chairman of the Immigration Commission to visit Europe, stating that, fearing the assaults upon him or misrepre stations will impair, if not destroy, his useful.

The Odd Fellows are to US and the control of the portion of equal responsibility.

The Odd Fellows are to US and the control of the party of the party is an adequate to accomplish the purpose desired.

Ordinance experts are to test a new explosive manufactured in Virginia and called Americanite.

Milwaukee liquor dealers are to build position of equal responsibility. position of equal responsibility.

Assistant Secretary Nettleton has di-rected the return to Regan, Bavaria, of John Brame, a pauper immigrant, who sprived in this country on the steamer Elder January 15. It is shown that Brahme was not apprehended on his arrival, but made his way to Milwaukee, Wis where he became a public charge. rival, but made his way to milwankee, Wis., where he became a public charge. It is further shown that Brame was a public charge in the city of Regan for five years prior to his departure for this country, and that his passage was paid by the local authorities at Regan.

Acting Secretary Wharton and the Chinese Minister held a lengthy interview regarding the case of Blair, appointed Minister to the Celestial Empire Chicago. For soon after the adjournment of the last sked to join. Congress. After the interview Wharton and the Chinese government had not re-After the interview Wharton ceded from its position regarding Blair and would prefer some one else should be appointed United States Minister to that country. "It is clearly evident," that country. "It is clearly evident," continued Wharton, "the Chinese do not want Mr. Blair, and the United States cannot force a Minister upon a friendly power in the face of unmistakable opposition."

Secretary Foster has telegraphed Cap-tain Hooper, commanding the revenue steamer Corwin, at San Francisco to proceed with all possible dispatch to the Pribyloff Islands with copies of the Pres-ident's proclamation for distribution to ident's proclamation for distribution to interested parties, commanders of all United States and British war or revenue vessels, and then proceed to enforce the provisions of the proclamation. Assistant Secretary of the Navy Soley said that the United States men-of-war Thetis, Alert and Mohican would sail immediate to the states of the said that the United States of the said that the United States men-of-war Thetis, Alert and Mohican would sail immediate to the said that th

Baring Bros.' liquidators report a bal-

ance of \$8,750,000. The Irish land purchase hill has passed to the third reading in the British House

The Chinese government has decided to give satisfaction to the powers affected

the riots at Wuhu. Cold weather has put back the Egyp-tian cotton crop, and the appearance of

locusts causes uncasiness. There is danger of a financial crisis in Morocco. The price of slave girls has fallen from £24 to £12 each.

The Chinese Emperor's edict orders cheading of all persons implicated in the recent riots and massacres. The religious conferences of various

denominations in England are memerializing the Prince of Wales to abstain from further gambling.

Mrs. Grimwood, the heroine of the Manipur massacre in India, is to receive from Queen Victoria the Victoria Cross in addition to the Red Cross.

Goddard Clarke, the juryman who questioned the Prince of Wales so sharp-ly, is a Fellow of the Royal Statistical

He is likewise a fellow of infinite andacity. The London Speaker predicts very great prosperity in the United States because

prosperty in the of its large crops. It predicts inconveniently large exports of gold from Europe to America in the autumn. British land value keep declining.
The splendid Dunalsstair estates in
Perthshire lave just been sold for £130,000, £155,000 having been paid for them
in 1885 and very costly improvements
having been added since.

There is an unconfirmed rumor London that Lord Breoke, son of the Earl of Warwick, has filed a petition for divorce from his wife on the ground of adultery, the Prince of Wales being charged as co-respondent.

The last census of Ireland shows that the Roman Catholics number 3,549,745, a decrease of 411,146 during the last decade. The Protestant Episcopalisms num-ber 600,830, a decrease of 38,744; the Presbyterians 446,687, a decrease of 24,-047, and the Methodists 55,235, an in-

The game of baccarat was not the first name of cards that has brought disaster to the fortunes of the Gordon-Cumming to the fortunes of the Gordon-Cumming family. The present Baronet's grandmother had a weakness for whist that led her to play for stakes as high as \$5,000 a point. In one night during a run of ill luck she is said to have lost thirty-two points, and her husband was compelled to part with a large property to settle the debt.

The Chinese government has issued a The Chinese government has issued a stringent decree against immoral literature. It is ordered that "all government officials who allow immoral books to be published within their respective jurisdictions shall be discharged. Every private person publishing such a book shall receive 100 blows, and shall be banished from his place of residence to a distance of 3,000 lees. The seller of an obscene book shall get 100 blows. Within thirty days of the issue of this law all obscene books of the Empire shall be destroyed, beginning with those now in print."

EASTERN ITEMS.

A New Explosive to be Tested by Experts.
