Its plan of display is remarks ably artistic, and shows its many variation of fulfilling the site of fruits in jar and on plate to great advantage. In all there are 300 plates of apples that make the mouth water and 240 immense jars of fruit in solution. There are monster pears, quinces of the world water and 240 immense jars of fruit in solution. There are monster pears, quince, peaches, spriencis, cherries and grapes, any one of which, except the two latter, would do for dessert for a medium-sized family. There are 300 cases of prunes, sun-died apples, pears, plums, peaches and other fruits. Children and peaches and other fruits. Children and peaches and other fruits and vines of the world water and 240 immense are so fruit in solution. There are monster pears, quinces and many peaches and other fruits continued the pear of the world water and 240 immenses and other fruits continued to the pear of the world water and 240 immenses and other fruits of the statement that Oregon fruits are solved the statement that Oregon fruits are condition, establishing the truth and the month water and 240 immenses and on plate to great advantage. In all there are 300 plates are all the pears of the world water and a state of the statement and a peaches, sprieds, cherries and strawberries, and the world water and 240 immenses are

NATIONAL CAPITAL.

The appraisement of lots and parcels of land in the townsite of Port Angeles, Wash., by the commission appointed by Secretary Noble has been approved by the Interior Department. The commis-sion of the general land office is now preparing instructions to the proper Reg-ster and Receiver for the sale of said lots and parcels of land. The settlers under the law are entitled to purchase at the appraised value the town lot on which they live and any other on which they may have made valuable improvements. The remaining lands are to be sold to the highest bidder above the appraised value. The whole townsite aggregates about 3,000 acres.

The pension bureau has notified a great many pensioners throughout the entire country, who are drawing pen-sions under the act of June 27, 1890, known as the independent pensions act, that payment of their pensions will be suspended for sixty days, during which time they are required to show cause why they should continue to draw pen-
