NOT IN ANY TRUST!

Many newspapers have lately given currency to reports by irresponsible parties to the effect that all of the sewing machines had entered a trust or combination, we wish to assure the public that there is no truth in such reports. We have been manufacturing sewing machines for over a quarter of a century, and have established a reputation for ourselves and our machines that is the envy of all others. Our 'New Home' machines are never rivaled as a family machine. It stands at the head of all High Grade sewing machines, and stands on its own merits. The 'New Home' is a family really HIGH GRADE Sewing Machine on the market.

It is not necessary for us to enter into a trust to save our credit or pay any debts as we have no debts to pay. We have never entered into competition with manufacturers of low grade cheap machines that are made to sell regardless of any intrinsic merit. Do not be deceived when you want a sewing machine, don't send your money away from home; call on a 'New Home' Dealer; he can sell you a better machine for less than you can purchase elsewhere. If there is no dealer near you, write direct to us.
