### A FINE \$400.00

# Piano Given Away!

We have made arrangements with the well known piano firm of Eddy in Portland, Oregon, for one of their famous pianos, which piano is worth \$400 and will give the same away at a special price of \$100 to the holder of the most votes. The subscription price of this Review is \$1.00 per year. Each person, whether an old or new subscriber, who signs a card in this contest will be entitled to cast 20 votes. We will also print each week in this Review a coupon, which is good for 5 votes. Each week will appear in this Review a list of names received, properly credited to the different contestants.

In this way some fifty will receive a handsome piano which will last for nothing, but will last longer than any other piano you could buy. We are offering you only our regular subscription price. We are simply giving prizes with our patrons. Do not delay, but fill out the coupon and start it in and it will receive proper credit. Remember, those coupons will not be good unless sent to us each week free, while the piano is being handed, unless a cash subscription to accompany it.
