The accumulation of these instruments has become so great that we are more than glad to get them off our hands, and are accordingly offering them at popular prices. As little as \$8 down and \$4 a month will make many of these very excellent instruments yours. Many a child has been fooled by the story of the pot of gold which is to be found just at the foot of the rainbow, and has started out to gather riches full of happy dreams.

Many a man and woman have been deceived by the tale that there was health to be found out beyond the sunset, and they have started out dreaming of a healthful future, never to be realized.

People who have had a large degree of chronic pain in various parts of their bodies have been perfectly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery. It cures deep-seated aches, bronchitis, bleeding lungs, emaciation, and other conditions which, if neglected or unskillfully treated, find a fatal end in consumption.

Last spring I had a severe attack of pneumonia which left me with a very bad cough, and I also left my lungs in a very bad condition, so I went to Dr. M. A. Pierce, of Cheyenne, Wyo. Dr. "I had no appetite and was so weak I could scarcely walk. My breath was short and I could hardly speak. I took Dr. Pierce's Golden Medical Discovery, which I believe saved my life. I cannot express my gratitude to you. I am able now to do very good work."

Any substitute offered as "just as good" as "Golden Medical Discovery" is a shadow of that medicine. There are cures behind every claim made for the "Discovery," which no "just as good" medicine can show.

The People's Common Sense Medical Adviser, a book containing 100 pages, is given away. Send a one-cent stamp for expenses of mailing only, for the book in paper covers, or 30 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.
