For the month of January only. On February 1st we take an inventory of stock, and close our books for the year 1900; Hence our desire for turning out goods at such low figures. The more goods we can sell the less work we have in taking stock, and the more room we have for our new spring goods. These are the reasons for this great bargain event, and you should profit by taking advantage of the situation. Prices have been lowered to the last notch, and it would be wanton extravagance for you to buy elsewhere now. Watch this space next
