Hood's Sarsaparilla

Includes the concentrated values of the best-known vegetable remedies, united by such an original and peculiar combination, proportion and process as to secure curative power peculiar to itself. Its cures of mild and extreme cases of scrofula, eczema, psoriasis, and of scrofula, eczema, psoriasis, and every kind and degree of humors, as well as catarrh and rheumatism—prove Hood's Sarsaparilla

the best blood purifier ever produced.

Its cures of dyspepsia, biliousness, nervousness, loss of appetite and that tired feeling make it the greatest stomach tonic, nerve-builder and strengthorer the world has ever known

Hood's Sarsaparilla Is a thoroughly good medicine. Begin to take it TODAY. Get HOOD'S. Pitch Cloak for Life-Saving.

A pitch cloak is the newest form of life saving apparatus. It is a Swiss invention. It weight about one pound, and will keep even a fully equipped oldier above the surface of the water. It has water proof pockets in which food and dirnk may be carried, as well as blue lights, in case the wearer is shipwrecked in the night.

Consumption in Norway. Vital statistics published recently in

Norway show that about 7,000 inhabitants of that country die annually rom consumption.

Laxative Bromo-Quinine Tablets

Age of Tree Maturity. Authorities on forestry say that 78 years are required for the cak to reach maturity; or the ash, larch and elm, about the same length of time; for the spruce and fir, about 80 years. After this time their groth remains stationary for some years, and then decay begins. There are, however, some exceptions, for oaks are still living which are known to be 1,000 years old.

Contagious Blood Poison

There is no poison so highly contagious, so deceptive and so destructive. Don't be too sure you are cured because all external signs of the disease have disappeared, and the doctor says you are well. Many per-sons have been dosed with Mercury and sons have been dosed with Mercury and Potash for months or years, and pronounced cured—to realize when too late that the disease was only covered up—

Like Bogots Like. driven from the out again, and to their sorrow and mortification find those nearest and dearest to them have been infected by this loathsome disease, for no other poison is so surely transmitted from parent to child as this. Often a bad case of Rheumatism, Catarrh, Scrofula or severe skin disease, an old sore or ulcer developing in middle life, can be traced to blood poison contracted. tracted The Sin of the Parent. life, for it remains smoldering in the sys-

tem forever, unless properly treated and driven out in the beginning. S. S. S. is the only antidote for this peculiar virus, the only remedy known that can over-come it and drive it out of the blood, and that there is never a return of the blood, and it does this so thoroughly and effectually that there is never a return of the disease to embarrase or humiliate you afterwards.

Cures Contagious Blood Poison in any and all stages; contains no mineral to break down your constitution; it is

stages; contains no mineral to break down your constitution; it is purely vegetable and the only blood purifier known that cleanses the blood and at the same time builds up the general health.

poison is the most complete and instruc-tive ever issued; it not only tells all about this disease, but also how to cure yourself at home. It is free and should be in the hands of everyone seeking a
