A CUBAN UPRISING

Quesada Savs if There is Trouble Will Not Be Caused by Friends.

HAVANA, March 8 .- All investiga on into the report, circulated in the United States by a news agency, that the United States secret service of ticials here had been informed that OF INTEREST TO OUR MANY READERS plans are on foot for a Cuban uprising and that disorder is only avoided now by the efforts of leaders to hold the revolutionary element in check, clicited the following statement from Senor Gonzales Quesada, who was the special commissioner of Cuba at Washington, and who was, in the dispatch, referred to as having confirmed the statements made:

"I have not made any statements regarding an uprising. If any persons are interested in follenting an oprising they are not Cubans who are favor of independence, but parties desirous of seeing Cuba crushed for over What we have to content gainst now is American public opin on. There is no prospect of fight ing here."

The harbor ligthermen joined the tevedores in a strike today. This move had been anticipated. The William C. TREATY WITH FRANCE.

Senate Committee Favors Extending the Time for Ratification.

WASHINGTON March 8.-The sen ate committee on foreign relations today authorized a favorable report upon the supplemental treaty beextending for one year the time within which the reciprocity treaty between The Italian chamber of commerce, the countries may be ratified. The of New York, has resolved to have a original agreement fixed the time of expiration at March 24, 1900, and the supplemental treaty extends it until the 24th of the present month. The original treaty was reported more than a year ago. There was some discussion in the committee as to whether there should be an effort to have the reciprocity treatles pending in the senate acted upon at this session, but no definite conclusion was reached. The most general opinion seemed to favor consideration of the English and French reciprocity trea-All of the reciprocity treaties will expire by limitation before the next session of congress.

Prisoners Will Be Released for Guns Surrendered.

ONE MAN FOR EACH WEAPON RETURNED

General Trias May Be Induced to Give up the Fight.

Manila, March 9 .- Additional inducements have been made to the insurgents to surrender their guns General MacArthur has directed all department commanders to release one prisoner for every gun surrendered. An insurgent who surrender his gun will be permitted to name

this man's detention, in which case another selection will be allowed. The federalists report that as a result of the negotiations with the insurgent General Trias, who is in nsation of certain County Clerks. Southern Luzon. Trias probably will

no exceptional circumstances require

soon surrender. The United States training-ship Buffalo has completed the exchange of crews with the warships at Cavite, and has sailed to exchange 700 men recently from the United States for members of the crews of several American warships at Hong Kong and Shanghal. Meanwhile the navy dispatch boat Zafiro has taken 200 men to the navy vessels in Southern Philippine waters for the same purpose. The flagship Brooklyn goes to Pe Chi Li gulf in April to conduct the maneuvers. The Kentucky, the Oregon, the New Orleans, the Albany, the Monterey and the Monadnock will participate in these maneuvers. The American fleet on the Asiatic station now numbers 54 vessels.

Deported to Guam.

Washington, March 9 .- General MacArthur has notified the war department by mail that in pursuance of authority obtained from the department under date of December 27 last, he has ordered the deportation of a number of persons "whose overt acts have clearly revealed them as in aid or in sympathy with the insurrection and the regular guerrilla warfare by which it is being maintained, and whose continued residence in the Philippine islands is, in every essential regard, inimical to the pacifica-

tion thereof." By direction of the commanding general, the persons named were de Thirty-seventh infantry, on board a transport for deportation to Guam, where they will be held under surveillance or in actual custody as circumstances may require during the further progress of hostilities and until such time as normal peace conditions in the Philippines has resulted in a public declaration of the cessation of
