

**A Loving Husband.**

When the Presidential party was in New Orleans the first and only interview ever secured with Mrs. McKinley appeared in the dispatches and it told of a loving wife's tribute to her loyal husband. We quote in part as follows:

"Do you know Maj. McKinley?" she asked. "Ah, no one can know him, because to appreciate him one must know him as I do, and I am not speaking now of Maj. McKinley as the President. I am speaking of him as my husband. If any one could know what it is to have a wife sick, complaining, always an invalid for twenty-five years, seldom a day well, and yet never a word of unkindness has ever passed his lips; he is just the same tender, thoughtful, kind gentleman I knew when first he came and sought my hand. I know him because I am his wife, and it is my proudest pleasure to say this, not because he is the President, but because he is my husband. I wish that I could have seen him yesterday. I love to see him among the people whom he seeks to serve so faithfully. But I read his speeches this morning. I only wish that I could help him as I should. But he is so kind, so good, so patient. He gives me all the time he can. He never forgets me, no matter how busy he is. I will be glad when he is out of public life. I did not want him to run a second time. I thought he had done enough for the country, and now I know that he has done enough, and when his term expires he will come home and we will settle down quietly and he will belong to me."

A car containing pine needle manufactures from Grant's Pass, fossils from John Day valley, a big white pine log from Eastern Oregon and an assortment of ore, wool and prunes, was shipped to Buffalo last week to be added to the Oregon exhibit. Fresh fruit will be forwarded to Buffalo early next month, at regular intervals until the close of the season.—Oregonian.
