Investigate.

Sometimes great oaks from little acorns grow, and acorns indeed are being offered to the public at Prineville. All we ask is for the music loving people of Prineville to wait and be entertained by our Prof. Josef Muller and E. Jacobson, both well known as thorough piano men. Distinctly high grade pianos such as Knabe, Ludwig, Fisher, Hardman, Kingsbury, Harrington will sing our story with Estey organs forever. Wait for them, they will arrive in about a week.

DENTISTRY.

DR. HAROLD CLARK, Prineville, Oregon.

Teeth extracted without pain. All kinds of filling and crown work done. I am prepared to perform any operation known to dental art.

Bridge work or teeth without a plate. The most beautiful and natural effects produced by this class of work.

Artificial teeth that are beautiful and lifelike.

Parents, save your children's

teeth. It is wrong to neglect them. Food mixed with the putrid mat of decaying teeth is very unhealthful.
