

Will Inspect the Upper Columbia.

Representative Moody informs the Chronicle, that although he was most anxious to have the congressional rivers and harbors committee visit the Upper Columbia at the time of their visit to Portland a much more satisfactory arrangement has been made and one that will give the committee all the time necessary to inspect all the river obstructions in which the people of the Inland Empire are especially interested. Mr. Moody was in the company of the committee all the time they were in the state, and he has the solemn promise of Chairman Burton that the party will inspect the Upper Columbia from Lewiston to the mouth of the Willamette, leaving Seattle about the 24th for Lewiston and arriving in The Dalles about the 26th.

The intention is, if possible, to make the whole trip from Lewiston to Celilo by boat and to have the Idaho delegation accompany the committee all of this distance. At Celilo a train will be in readiness to bring the committee on to The Dalles, where they be entertained by the city. Here the committee will be met by their lady friends, who will be brought here by boat from Portland. Captain Langford, who is in charge of the improvements of the Columbia river, will accompany the party as will also Representative Moody who expects to join them either at Spokane or Lewiston. Chairman Burton assured Mr. Moody that he would wire him as soon as the party returned to Seattle from Alaska and give the exact date when the party might be expected to reach Lewiston.—Dalles Chronicle.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Cured Daily in Spite of Themselves.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE," which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the cure administered by loving friends and relatives without their knowledge in tea or coffee, and believe today that they discontinued drinking of their own free will. **DO NOT WAIT.** Do not be deluded by apparent and misleading "improvement." The HOME GOLD CURE is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. E 485 EDWIN B. GILES & CO. 2330 and 2332 Market St. Philadelphia.
