

Doctors and Editors.

A New Brunswick physician having remarked that newspapers are run for revenue only, the Charleston Sentinel gets back at him this fashion:

"The doctor from Algona says that newspapers are run for revenue only. What in thunder do doctors run for, anyway? Do they run for glory? One good healthy doctor's bill would run this office for six months.

"If we got some glory out of it we would agree to take one of his pills, after first saying our prayers. If the editor makes a mistake he has to apologise for it, but if the doctor makes a mistake he buries it.

"If we make one there is a lawsuit, tall swearing and a smell of sulphur, but if the doctor makes one there is a funeral, cut flowers and a smell of varnish. The doctor can use a word a foot long, but if the editor uses it he has to spell it.

"If the doctor goes to see another man's wife he will charge the man for the visit. If the editor calls on another man's wife he gets a charge of buckshot. Any medical college can make a doctor. You can't make an editor. He has to be born one.

"The editor works to keep from starving, while the doctor works to ward off the gout. The editor helps men to live better, and the doctor assists them to die easy.

"The doctor pulls a sick man's leg. The editor is glad if he can collect his bills at all. We are living for fun and to spite the doctors."

Youngers Will Sell Gravestones

Coleman and James Younger, after their 25 years in the state's prison, will begin work as salesmen for a St. Paul dealer in gravestones and monuments. Warden Wolfer signed the contract for their new work, and they will leave for St. Paul to begin their new duties at once.

THE HOME GOLD CURE

An Ingenious Treatment by which Drunkards are Cured Daily in Spite of Themselves.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE," which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the cure administered by loving friends and relatives without their knowledge in tea or coffee, and believe today that they discontinued drinking of their own free will. **DO NOT WAIT.** Do not be deluded by apparent and misleading "improvement." The HOME GOLD CURE is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept.
